

You have been presented with a MAAM Music Program Grant Application Form. Musicians Assisting Advancing Music is a nonprofit organization consisting of performers, venue owners, and individuals dedicated to improving the musical community in southeastern Wisconsin.

Since its inception, MAAM members have been donating and performing their original songs for the Kenosha Comes Alive CD. Along with a few local sponsors these musicians pay for production costs and in past years MAAM has donated the profits from the sale of the CD to the KUSD Music Program.

In 2013 MAAM developed the MAAM Music Program Grant Fund. KUSD Music Program Teachers may now apply directly to MAAM in the form of a grant for funds. In previous years MAAM has awarded grants for guitar strings, saxophone stands, orchestra chairs, recording microphones and travel expenses for Music Program Events. In 2016 we opened the grant to Middle School Music Program Teachers throughout KUSD. This year the KUSD music instructors may distribute funds for student's music education outside the classroom in addition to purchasing items for the classroom setting. Music education may include private lessons and instrument rental fees. Application will encourage music instructor to document distributions, to include description as to what the funds were used for and by which student.
